

Product	Desktop socket	
List No.	EP08AL2	
Module *	8 module frame compatible with Citric wiring devices	
Function	Power, communication/data access on table top	
Dimension	253X115X117mm	
Electrical Specification *	16A 250V~	
IP Rating *	No	
Load Specification	16A 250V~	
Materials	Panel, Lid, Side plate of bottom box	Alu. Alloy 6063
	Socket amounting frame	PC
	Socket amounting plate, bottom plate	DC01
Features	<ol style="list-style-type: none"> 1. Double cover structure 2. Concealed mounted, bottom box side screw to install 3. Brushed oxidation surface 4. Pure metal surface cover 5. Metal painting bottom base 6. Integrating consultative services 7. Citric accessories can be mounted..Provision for module Rotation to avoid stress on cables 	
Condition	Temp:-10—60°C; Humidity: 40%—85%; No corrosion, no strong magnetic interference.	
Application	Applicable to office table, conference table, desk and platform,etc. Convenient for electricity, data transmission and exchange.
